CHECK**

Checklist for your day at Double Check

- Please come with an empty stomach.
- If you have documents regarding medical visits, it would be advantageous to bring these along as well as your certificate of vaccination.
- Please bring along casual clothing and your sport shoes.
- Please do not wear your contact lenses for the cognitive check.

Finance

- A Double Check Executive Checkup costs CHF 4'480.00 and includes catering.

Appointment Confirmation

- In order to confirm your appointment(s), the attached admission form should be completed, signed and faxed with a copy of your passport and credit card to our office +41 44 212 11 01.
- These documents must be received **within 2 business days of the first appointment date** to avoid cancellation of the appointment(s).

Cancellation policy

- Notice of appointment cancellation or change must be provided at least 2 business days prior to an appointment date. A CHF 1'500.00 cancellation or no-show fee will be assessed if this notice is not provided in the time frame stipulated. If you cancel your reservation within 24 hours the start of your Checkup, 50% of the total amount is due.

International Insurances

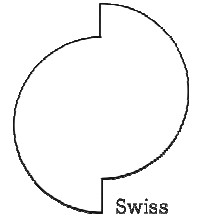

- For patients with International Insurance, please contact your Insurance Coordinator to verify eligibility for benefits.

Interpreter

- Upon request we can organize a language interpreter for you if you do not speak English or German. Fixed cost for the translation service is CHF 900.00 per day (8 hours) or CHF 150.00 per hour.

Terms of payment

- All payments for our services are expected **before the first appointment date**. We require deposit payment in advance to the following account:

Credit Suisse, 8021 Zurich
IBAN: CH50 0483 5177 3659 9100 0
Double Check Ltd.

- There is a possibility that a balance could exist at the time of the final billing. In that instance, we will contact the patient prior to charging the credit card for any outstanding balance. If other payment arrangements need to be made, available options can be discussed at that time.
